OUR LADY OF VICTORY HIGH SCHOOL
FORT WORTH, TEXAS

FOREWORD

Oppressed by the threat of Turkish domination in the sixteenth century, the Church armed herself under the command of Don Juan of Austria and the spiritual guidance of Pope St. Pius V. Through Our Lady's intercession, the Christian forces defeated the Ottoman fleet at Lepanto, Greece, on October 7, 1561, thus ending the Turkish aggression. In commemoration of this battle the Holy Father instituted the feast of Our Lady of Victory.

The Church today is faced with a threat no less real, no less terrible - the threat of Communism. As Christian men and women, we must likewise arm ourselves against the grave temporal and spiritual dangers which Communism presents. The education we receive at Our Lady of Victory High School prepares us for the fight against these dangers. But we are not merely taught what to fight against; we are given a cause to fight for - the cause of Christ. We are strengthened in this cause not only through our religious training, but in the sciences, languages, arts, technical skills, and social activity.

Our cover design is symbolic of the Battle of Lepanto. We see the Christian banner with its cross penetrating the broken Ottoman spear with its crescent blade and horse-tail. A ship from the Christian fleet rests anchored in the distance. While the Turkish shaft now lies useless and shamed and the cause of Christ stands triumphant, let us march behind the shield of Our Lady of Victory, and look for the church to vanquish the hammer and sickle which challenges the flag of Christ today.

DEDICATION

We the students of Our Lady of Victory High School dedicate the first volume of Lepanto, 1962 to -

Your Excellency, the Most Reverend THOMAS K. GORMAN

Bishop of the Diocese of Dallas-Fort Worth

Without your guidance and encouragement the dream of our modern co-institutional high school would not have become a reality. May these pages reflect the fulfillment of many of your high ideals for us, and may we continue to live up to your greatest hopes and expectations.

On September 5, 1961, the doors of the new co-constitutional high school were first opened to 397 Catholic students from the city of Fort Worth, Hurst, and Arlington.

This is the campus.

Inside these walls rests the armor of young Christians - armor which they will use to battle the enemies of Christ - to face Those who have "dared the white republics." Here rests the armor of the Humanities, the Arts, the Sciences - formed, fashioned, and polished according to the pattern of Christian truth.

Dialectic materialism, or Communism, threatens to control the world today. Through selected courses, we, the graduates of OLV 1962, are fully aware of this insidious evil. As seniors, we had many opportunities to strengthen ourselves in the battle between good and evil. In our prayerful study of the New Testament, we familiarized ourselves with our meek and humble Leader and His sweet and gentle Mother. In contrast, we studied the leaders of communism, their ideals and tactics and trained our minds to recognize the pattern these leaders have mapped out to destroy western civilization. In a special course on marriage, we reviewed the Church's teaching on the sacrament of Matrimony, its obligations, rewards, and importance as a factor in the fight against communism.

We seniors realize that communism totally rejects everything America has come to accept and cherish. We accept the challenge that only by following Christ, by being perfect Christian Americans, can one join the battle no less serious than that of Lepanto and come out victorious.

CLASSES

Everyone is in it - this battle against communism. The preparation for the fight begins at home, but the study of it is intensified in school, in its curriculum and spiritual activities. Each year adds more strength; no one can work too hard or learn too much. Even so, what one learns is but a foundation, but if the foundation be strong, the fortress will stand.

Juniors

We Juniors fortified ourselves with a careful study of American history and literature, a heritage the communists strive to ridicule and even destroy. In studying Part II of the SUMMA THEOLOGICA, we arrived at a better understanding of right thinking and moral principles by which to live.

Sophomores

We Sophomores in our study of biology developed a keener perception of the beauty of creation and in particular, the dignity and perfection of the human body - only God could effect such things. The OLD TESTAMENT history disclosed to us the richness of the Judeo-Christian tradition - a tradition the communists seek to erase.

Freshmen

We Freshmen began our training by surveying man's struggle with himself and others from ancient times to the present. There has always been evil to combat but only with God's help can evil be vanquished. Appreciation for the Church's liturgy deepened as occasions presented opportunities for us to actively participate in liturgical functions.

"We will bury you," is the boast of the Communists. Will they?

Only he who arms himself with the weapons of truth and justice and follow the leader Jesus Christ will win.

ACTIVITIES

Spiritual Activities

Major Importance

Truly, the most significant aspect of school life is spiritual activity. Stimulated by active participation in the liturgy throughout the year, students are better equipped Christian soldiers in the fight against the evils of the day.

Each month, the school calendar marked some spiritual event. In September, the students attended the Mass of the Holy Spirit, offered by His Excellency, The Most Reverend Thomas K. Gorman, Bishop of the Diocese of Dallas-Fort Worth. At this Mass, the celebrant prayed in a special way for a most successful year for the faculty and student body.

Daily Mass

Each morning during the school term, students who chose to do so attended Mass in the school chapel and/or auditorium. Reverend Paul Neumann, S.M. and Reverend Joseph Fuhrmann, O.S.B. offered Mass and heard confessions.

Christ the King

On the last Sunday of October, students at Our Lady of Victory High School participated in the city-wide procession in honor of Christ the King at the Will Rogers Memorial Coliseum. On this occasion the students demonstrated publicly their allegiance to Christ as their King. Behind His banner the young Christians marched and during the ceremony they renewed their pledges to fight the enemy until right order be restored.

The Living Rosary

In October, the month of the Holy Rosary, the Freshman boys and girls sponsored a living rosary. The religious exercise took place in the school auditorium.

Freshmen participate in Living Rosary

Advent

In preparation for the coming of Christ, students participated in various Advent projects. Each morning before classes began, as many as possible took part in the Advent Wreath devotion held in the corridor near the main entrance.

Toward the end of December, the sodalists erected a Nativity scene near the east entrance.

As a Christmas project, each home-room sponsored a needy family. Food, clothing, and toys were brought to school by the girls who wrapped, boxed, and delivered them to the homes in time for the feast of Christmas.

Members cleaned the chapel, kept the altar spotless, ironed linens, and laid out vestments for Mass. Working in the presence of God or preparing linens for use was a privilege the altar society deeply appreciated.

Annual Retreats — Spiritual Check Up

Boys' Retreat

During January, February, and March, each class had the opportunity to make a Retreat - two or three days set aside to seriously consider how one stands in the sight of God. The Freshman boys made their Retreat here at OLV High, while the girls made theirs at OLV Provincial House.

Sodality

The purpose of the Sodality, sanctification of self and others and defense of the Church, demands qualities of leadership of every Sodalist.

Among the Sodality's projects were a Day of Recollection, a Unity breakfast, and a sponsored lecture by a visitor from Grailville.

This year the Sodality plans to send more Sodalists to Grailville, Ohio and to the Summer School of Catholic Action in Houston to provide training in leadership.

Lent

During Lent, many students attended daily Mass, offered special prayers and sacrifices, and took part in Lenten services in their parish churches. Everyone contributed to the Bishops' Relief Fund for the poor children throughout the world. The senior class climaxed the Lenten season by attending the beautiful Chrism Mass celebrated by His Excellency, Most Reverend Thomas K. Gorman, at Sacred Heart Cathedral, Dallas.

Junior-Senior Prom

For the upperclassmen, the Junior-Senior Prom was the climax of all social activities. Held in the Crystal Ballroom of Hotel Texas, the prom had as its theme Sayonara. Dainty Japanese dolls surrounded by sprigs of cherry blossoms were arranged on styrofoam and were used as table centerpieces. Doug Hazlewood's orchestra furnished music for the occasion.

Blue Dance

On Saturday, May 6, 1962, the parish C. Y. O. of Fort Worth culminated their activities in the annual Blue Dance held this year in the Victory High School gym. Each parish had a Princess representing its unit in the organization. The announcement of the Queen highlighted the evening's activity. Janice Dacy of St. Mary's C.Y.O. presided as queen until Barbara Johnson, of Our Lady of Mercy, was announced as the Queen of the Blue Dance, 1962.

It is a tradition of the choral club to go caroling every Christmas at the Elmwood County Home for the Aged. This year the choral club carried on that tradition with more enthusiasm than ever before. They presented two major concerts, one in the winter and one in the spring. Throughout the year their musical presence heightened various school functions.

The members of the choral club become united with the student body by fulfilling a mutual desire to sing and hear beautiful music.

The Pinning Ceremony of the Future Nurses Club was the highlight of the year for members of the organization. Members received pins after collecting sample medicines for the missions and preparing bandages for the Cancer Society. Speakers from St. Paul's and St. Joseph spoke to members who gained a deeper insight into the field of nursing. Through their activities the future nurses learned the real duty of a Christian nurse: to aid the sick spiritually as well as physically.

OLV Student Council

In order to promote a cooperative Marian family spirit in the school, the Student Council exists and has for its aim to cooperate in school government for the purpose of upholding and furthering the spirit of Victory, spiritually, scholastically, and materially. In this student government program the students endeavor to develop a sense of Christian responsibility, to exercise a prudent initiative, to foster cooperation between students and faculty and between the school and the parishes and to encourage a spirit of good citizenship.

The Student Councils of both divisions worked together to plan and sponsor the school dances and were able to purchase a statue of our Blessed Mother for the school and lights to be used for future dances in the gym.

The Boys' Student Council wrote the constitutions for the Student Council with the help of the upper-classmen from Laneri, organized vocation month seminars, sponsored October Rosary Devotions and Living Rosary as well as May devotions. The Boys' Council also appointed student monitors for assemblies, lunch periods and movements, ordered and sold the school jackets, played host to incoming freshmen during their registration and sponsored the first Victory Frosh Day, sponsored a booth at the Mardi Gras and worked hard to back all school activities especially the athletics.

The Girls' Student Council sponsored all school dances and through the Home and School Association bought platforms for gym. It organized two assemblies: one to get the students acquainted with the various school organizations and a vocation skit "Thank Heaven for Little Girls" Assembly which summarized the development of a Christian woman. The Girls' Council also worked hard to back all school activities and sponsored a booth at the Mardi Gras as well as backing the sale of tickets for the affair.

One of the many projects of the G. A. A. was the sponsorship of the annual Field Day for incoming freshmen. During the year, the club directed the Varsity and intramural sports and dancing. All O. L. V. students were eligible to share in the privileges of the club.

The purpose of the G. A. A. is to foster a greater interest, cooperation, and appreciation in athletic activities of the school.

Commencement Exercises at Will Rogers Memorial Auditorium, May 25, 1962.

Graduation! With great joy each graduate receives her coveted diploma, a symbol of the attainment of a goal, the completion of a carefully selected curriculum to meet a high standard of education.

Graduates of 1962, the future is yours to do with it what you will. You know the choice which must be made - God or godlessness. You have the armor, the weapons, the Leader with which to fight against the evils challenging the very foundation of moral order.

The faculty and students of Our Lady of Victory High School congratulate you and join you in the realization that only by constant application of solid Christian principles learned throughout Catholic school training can we rejoice in ultimate VICTORY!

Suzanne -
Have lots of fun +

Susan.

God bless you.
